

# AYSO 111 Referee (SPRING)

## U7/U8 REFEREES

U7/U8 teams must identify 2 parents that will get certified to referee at the beginning of the season. The Home Team will be responsible for providing the certified referee for the match (Coaches are not to be on the field refereeing their own match). Referees will be able to sign up for matches in Matchtrak.

## **U8 Referee Points**

- Center Referee earns 0 points per game (U8), U8 Teams currently are not required to earn Referee Points for any Post Season play

## REFEREE POINT SYSTEM

In order to be eligible to compete in post-season play, each team (U10 and Above) must accrue at least the same number of points as there are games scheduled for their team. At the beginning of the season, each team must notify the Regional Referee Administrator with their affiliated referee. Referees affiliated with teams must be recorded as such on the Matchtrak scheduling system. Point tallies will be taken from Matchtrak records only. There is also an opportunity for referees to earn referee points by attending any Referee Meetings that will be held during the season. Additional opportunities will be announced as they become available.

Points can NOT be assigned for past games (there is a 1 week grace period to adjust/correct). Teams that aren't affiliated with a referee will not earn points and risk not being eligible for post season play (tournaments).

**Points will be earned by referees who affiliate themselves with teams in the following manner:**

### **U10-U14 Referee Points**

- Center Referees earn 2 points per game (U10-U14)
- Assistant Referees earn 1 point per game (U10-U14)

### **U16 and ABOVE Referee Points**

- Center Referees earn 3 points per game (U16+)
- Assistant Referees earn 2 points per game (U16+)

## INCENTIVE PROGRAM

The following incentive plan is to encourage more referees to sign up for games and to officiate more games during the season. Game counts for each referee are provided by Matchtrak. Gift Cards will be delivered to referees at our monthly Referee Meetings. Only those referees whose names appear in the scheduling system used for the season will be eligible for rewards. Unscheduled "walk-ons" may be eligible for referee points and will be evaluated on a case-by-case basis. Problems such as scheduling system log-in difficulties will also be evaluated on a case-by-case basis. **U8** Incentives are completely separate from **U10 and Above** incentives.

### **U8 Incentives**

**Referees will earn a \$10 Gift Card per game, distributed in the following increments...**

<b>Games</b>	<b>Incentive</b>
10 Games*	\$100 Gift Card
